CONFIRMATION LETTER

Norwegian Mapping Authority hereby confirm that a Ukrainian company Aviation Accounting Centre was a contractual party in the Agreement no. 13/02902 dated 30.01.2014 on "Provision of services for Aerial Photography, production of Digital Terrain Model and Digital Orthophotos for selected areas of Armenia".

The project is financed by the Norwegian Ministry of Foreign Affairs and implemented through the Norwegian Mapping Authority.

The scope of the contract included aerial photography, airborne laser scanning, production of digital terrain model, contour lines and digital orthophotos for selected areas of Armenia.

The final products of the project:

- Orthophoto 10 for 310 sq. km.
- Orthophoto 20 for 13 400 sq. km.
- DTM and contour lines for 13 400 sq. km.

The total contract price was NOK 6.328.547,- which was fully paid for accepted deliveries. The project is now successfully completed with warranty period for complaints by 31 May 2016.

Elena Busch

Senior Engineer and Project Manager
